CIDER AND VINEGAR PRODUCERS ORGANIZE.

[Special to The Times-Dispatch.]
Charlottesville, Va., July 21.—In response to a call made some weeks ago a large number of the orchardists and cider and vinegar manufacturers of the fruit-growing-regions of the State met here yesterday and organized an apparently vigorous society to be known as the Cider and Vinegar Association of Virgina.

The officers elected were F. U. Woods, of Colesville, president, E. C. Myars, of Waynesboro, secretary; J. G. Martin, of Colesville, treasurer.

The object of the association is to advance the cider and vinegar interests of the State, turning into of the State, thereby turning into more money the by-products of the

Byrd law and all of the pure food laws both State and national, the manu-facturers and retailers who illegally make cider and vinegar. It is the purpose of the association to unhold and maintain the purity of Virginia-made cider and vinegar. Another meeting will be held here August 10.
